**GLHN ARCHITECTS & ENGINEERS, INC.  
ESTABLISHES PHOENIX OFFICE**

**NEW LOCATION TO SUPPORT HEALTHCARE/WELLNESS STUDIO,  
COMMISSIONING, AND TECHNOLOGY ENGINEERING**

TUCSON, AZ (June 15, 2015)— GLHN Architects & Engineers, Inc. is proud to announce that it has established an office in Phoenix, Arizona at 3030 N. 3rd St, Suite 600. Initial operations at the Phoenix office will focus on project management, production, and business development activities for the firm's rapidly growing Healthcare/Wellness Studio, Technology Engineering contracts in Maricopa County, and area Commissioning contracts. GLHN is currently completing Building Systems Commissioning at the University of Arizona Cancer Center at the Phoenix Biomedical Campus. Earlier this year, the firm was awarded the Banner University Medical Center project in Tucson, in partnership with lead Phoenix firm Shepley Bulfinch. GLHN is headquartered in Tucson and opened an office in Flagstaff in 2013.
